Max Torque 48 Nm

Visit the following link or scan the QR code for a quick demonstration showing the removal and installation of the clip-on cover: goo.gl/OZvYjc

WIRING

CP9-ELV

CP9-DIM

⚠ ATTENTION:
Unit must not be operated with the clip-on cover and optical face blocked or obstructed.

The clip-on cover and other optical surfaces are to be kept clean for optimal light output and to prevent damage to the integral optics and cover.

Replace the clip-on cover if it is damaged or cannot be cleaned. Damage to the fitting due to operation with an obstructed optical face will not be covered by warranty.
