

 COOLON

AZIZ LIGHT™

160W LED High Bay

The only innovative solution for production and warehouse areas.

AZIZ LIGHT™ is an extremely robust LED high bay luminaire. With a tempered glass lens and houses within a cold-forged pure aluminium body, AZIZ LIGHT™ is perfect for processing plant and warehouse applications – from pristine to highly contaminated environments.

With over 140 lm/W, AZIZ LIGHT™ is one of the most efficient LED high bays on the market.

Designed for use in:

- Warehouses
- Public Spaces
- Retail Stores
- Sports Halls

Solid Body Aluminum.

AZIZ LIGHT™ can be used in warehouses, sports facilities, retail stores and many other applications. No matter what the use is, AZIZ LIGHT™ installations result in reduced energy bills and maintenance, and a short payback period.

Enhanced Optical Performance.

High intensity light output. Over 140 lm/W efficacy.
Low power consumption. Long life endurance.
Incredibly low price. AZIZ LIGHT™ is everything you could possibly wish for in a high bay.

COOL SURFACE TEMPERATURE

Coolon's industrial LED fittings have a much lower surface temperature than traditional HID equivalents which prevents dirt from baking onto the luminaire. This allows for easier cleaning and prolongs the lifespan of the luminaire.

NO FLICKERING

LED luminaires run on constant low voltage DC power and do not produce any visible stroboscopic effects. This reduces strain on the eyes and significantly improves safety in areas where moving machinery is present.

UNRESTRICTED BURNING POSITION

Coolon's LED luminaires can be positioned and oriented in any direction without affecting the lifespan of the product. This provides greater flexibility when it comes to aiming angles and orientation.

YEARS

3 YEARS FACTORY WARRANTY

Coolon luminaires are covered by a comprehensive manufacturer's warranty that covers a range of possible defects and performance parameters throughout the duration of the warranty period.

INSTANT ON/OFF

LEDs do not have a warm up period. Instant on to 100% output translates to no downtime, improved safety and the ability to utilize sensor switching to significantly reduce energy usage.

LONG USEFUL OPERATING LIFE

Currently available specification from world's most reputable LEDs manufacturers states 50,000 hours of continuous operation at the rated current within the operating temperature range to 70% residual light output.

QUALITY WHITE LIGHT W/ HIGH CRI

This luminaire emits light with a spectrum closely resembling that of natural daylight with a relatively high colour rendering index (CRI) greater than 80, enabling excellent colour differentiation.

PROUDLY MADE IN AUSTRALIA

Our products are designed and manufactured in Australia. Engineered to perfection, using the best quality components and highly skilled labour, each luminaire is thoroughly tested to ensure excellence in performance.

TECHNICAL SPECIFICATIONS

Product

Model	AZIZLIGHT-160
-------	---------------

Optical Characteristics

Luminous Flux (Photometered)	20,087lm
Luminous Flux (LED Lumens)	21,800lm
CCT	CWT 4700 – 8000K

Electrical Characteristics (Luminaire & Power Supply)

Power Consumption	143W at 25°C
Nominal Voltage	230VAC
Voltage Range	100 – 305VAC, 127 – 431VDC
Frequency Range	47 – 63Hz
Power Factor	>0.95 / 277 VAC
Leakage Current	<0.75mA / 277VAC
Cable Type	Standard 3 Core Flex w/ Molded 3 pin AU Plug
Cable Length	1.5m

Environmental

IP Rating	IP66
Operating Temp. Range	-20 – 50°C
Thermal Management Type	Active/Continuous
Expected Lifespan	50,000 Hours to 70% Brightness
Material Composition (Body)	Cold Forged Aluminium
Material Composition (Cover)	Tempered Glass
Material Composition (Bracket)	Stainless Steel

Weight/Packaging

Luminaire Weight	5.5 kg
Packaging Dimensions	290 x 290 x 260 mm

Compliance (Safety Standards)

AS/NZS60598.1	Luminaires - General Requirements and Tests
AS/NZS 60598.2.1	Luminaires - Particular requirements - Fixed general purpose luminaires

Compliance (EMC)

AS/NZS CISPR15	Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment
----------------	---

Warranty

Warranty	3 years warranty as standard. 5 years extended warranty optional.
