

e Li SW LED MODULE LNR-eLi SW

eLi SW is a modular linear luminaire precisely engineered to follow the fluidity of organic architecture. It delivers consistent, high-quality white illumination for challenging exterior applications. Its semi-rigid design ensures seamless, elegant integration into curved façades and sculptural forms, backed by engineering-grade reliability. A range of precision optics and mounting accessories supports accurate beam control for wall washing or grazing.

TECHNICAL **SPECIFICATIONS**

Product Code	LNR-eLi SW
Description	eLi SW LED Module
Body / Finish	Cast Aluminium, Anodized & Powder Coated (Marine Grade)
Cover	Polyurethane Encapsulation
Product Body Length	298mm
Luminaire Weight	690g
Connector Type	Push-Lock (Tool-less Installation)
LEDs Per Segment	6
Light Quality	3-step MacAdam Ellipse, CRI >90, R9 >80, Rf: 92.7, Rg: 101.4
Lumen Maintenance TM21	TM21 L90/B10(10K) > 60,000 hours
Operating Voltage	24 – 54VDC (Requires Class II / SELV compliant power supply)
Typical Power Consumption	5.6W or 11.6W per Module at 36V
Typical Power Consumption per metre	18.7W or 38.7W at 36V
Electrical Safety Classification	Class III (SELV)
Max. Through Current	20A
Control	DALI, DMX or Casambi through eLi Controller
External Heatsink Required	No
Storage Temperature Range	-20°C to +70°C
Humidity Range	10% to 90% RH, Non-condensing
Ambient Operating Temp	-10°C to 50°C
IP Rating	IP66 / IP67
IK Rating	IK10
Max Continuous Connection Length	Please refer to installation limits

 PROTECTION RATINGS

IP66

Fully protected against dust. Protected against wave-like water jets from all directions. IP67

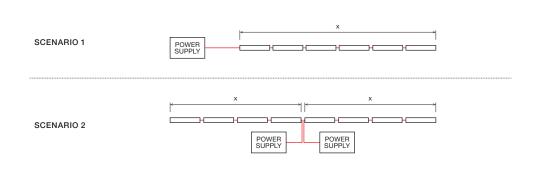

Fully protected against dust.

Protected against wave-like
water jets from all directions and
temporary immersion (up to 1 metre).

IK10

Protected against 20-joule impact (equivalent to the impact of a 5.0kg mass dropped from 400 mm).

INSTALLATION LIMITS

HIGH-FIDELITY **COLOUR RENDERING**

Engineered for exceptional colour rendering. With a CRI 90+ and an R9>80, our LEDs reveal the true richness of colours, ensuring a vibrant and accurate appearance. particularly for warm red and orange tones.

5 YEARS WARRANTY

Coolon luminaires are covered by a solid comprehensive manufacturer's warranty that covers a range of possible defects and performance parameters throughout the duration of the warranty period.

PROUDLY MADE IN AUSTRALIA

Our products are designed and manufactured in Australia. Engineered to perfection, using only the highest quality components and highly skilled labour, each luminaire is assembled and thoroughly tested to ensure that it exceeds the highest standards.
