

FORMA

LED STRIP STR-FORMA

Forma offers the perfect combination of performance and aesthetics. Versatile product lengths along with 90-degree corner options allow the fitting to be tailored to create the perfect lighting effect to complement your unique project.

This range can be supplied as a suspended pendant or a surface mounted fitting in three wattage options (11W, 16W and 33W). Many other customizable options are available, including louvres to reduce glare and custom profile colours.

SEAMLESS CORNER OPTIONS

Specially designed corner locks allow for continuous illumination around 90-degree corners. Seamless corner options are available for both suspended and surface mounted fittings, enabling more flexibility to the sleek and minimal design of Forma.

HIGHLY VERSATILE LENGTH OPTIONS

Highly versatile length options allow the user to achieve accurate and adaptable lengths. Forma can achieve any desired length in 37.5mm increments.

LONG OPERATING LIFE

Coolon products use the world's most reputable LED manufacturers and the latest available standards to adequately report lumen maintenance. We strive to drive LEDs under their nominal current and use state-of-the-art heat dissipation methods, leading to durable electronics.

VARIOUS CCT & COLOUR BINNING CONSISTENCY

All products are offered in various colour temperatures, and manufactured using tighter bins, ensuring excellent consistency and uniformity.

5 YEARS WARRANTY

Coolon luminaires are covered by a solid comprehensive manufacturer's warranty that covers a range of possible defects and performance parameters throughout the duration of the warranty period.

PROUDLY MADE IN AUSTRALIA

Our products are designed and manufactured in Australia. Engineered to perfection, using only the highest quality components and highly skilled labour, each luminaire is assembled and thoroughly tested to ensure that it exceeds the highest standards.
